**Subject:** Region 2 Director Announcement

All CCPOA Region 2 Members,

Jodee Sasway has tentatively accepted the vacant Region 2 Director position. Jodee works out of the Carlsbad Police Department, and has nearly twenty years of experience in crime prevention as a member of CCPOA.

In accordance with the official State CCPOA guidelines, we will have a member vote at tomorrow's Region 2 meeting to ratify Ms. Sasway for the position. If you are unable to attend the meeting and would still like to vote, please email me your 'yes/no' vote by 5pm tomorrow, November 10.

I have included the relevant guideline section below for your reference. Also attached to this email is the meeting announcement that was sent out last week.

Hope to see many of you in San Marcos tomorrow!

· In cases of office vacancies during the year, membership should be notified and the vacancy can be filled by either the above election process, or completed at a regular region meeting. (If voting will be done during a meeting, members should be notified in the meeting notice of the election). Another option to fill mid-year vacancies would be to move person with the next highest votes for that particular position into the vacancy.
